**SUBJECT: Equipment from the company Matsuru B.V. banned by JJIF**

Dear friends of Ju-Jitsu

Respectful greetings from the president of the Ju-Jitsu International Federation (JJIF).

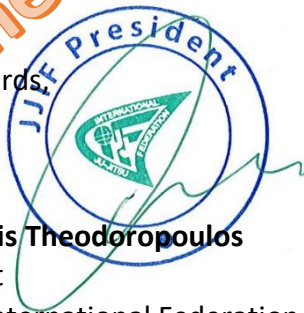

With this, JJIF announces that all equipment from the company **Matsuru** is banned from all JJIF events.

This means that athletes are not allowed to use equipment from the company Matsuru during competition, especially on the field of play.

Please be aware that this decision comes into force immediately and will be valid in Kazakhstan's Youth World Championship 2023.

We regret the short notice and that such a decision was necessary.

Best regards

**Panagiotis Theodoropoulos**

President
